EUROPEAN OFFICE FURNITURE MANUFACTURER

For over thirty years, EOL has designed and manufactured 100% French-made office furniture.

Our team of expert designers conceive office furniture that is simple, creative and functional.

We can offer bold made-to-measure solutions, delivering unique spaces that reflect a business' identity and core values. EOL does this whilst ensuring ergonomics and user well-being are kept at the forefront of our design process.

What is more, EOL is committed to a demanding and thorough certification process to ensure that customers benefit from the highest standards of quality, in both service provision and product delivery, every step of the way.

OUR EXPERTISE & KNOW-HOW

Our know-how is built around several fundamental pillars:

- A drive to offer products that are of the highest quality and the safest in every day use.
- Supporting job creation and the local economy in all our markets,
- Reducing our environmental footprint,
- Ensuring that social responsibilities are being met and surpassed.

OUR VALUES

EOL has adopted a profitable growth strategy underpinned by a clear vision of the company we want to be and shared core values.

ECO-RESPONSIBLE COMMITMENTS

There are currently 30 actions actively being implemented to meet our eco-responsible commitments

These actions come in different forms

- Less energy-hungry and materials-heavy creations
- Active avoidance of chrome in our manufacturing processes
- 97% of purchasing sourced from local European suppliers
- Implementation of a nondiscrimination and gender equality policy.

These are but a few examples of our numerous actions. We realise that the job is far from complete and that many opportunities remain for us to shape an ever-more environmentally responsible development model.
